

BILLERICAY SOCIETY

UPDATE – MARCH 2020

The Committee of Billericay Society hopes that you are all well and staying safely at home. We hope that we will be able to resume the club meetings as soon as possible but it looks like this will not be till later in the year. It may even be September before we will be able to reopen our club doors again.

Marian Thilo will be very busy rearranging the speakers and hopefully will be able to arrange dates for the speakers that have had to be cancelled.

As many of you know we were able to be part of the Waitrose charity scheme. Thanks to all the people who put their green tokens into our box, we were awarded £330.

We arranged for Peter Thomas to collect and refurbish the Town sign situated on the Potash Roundabout. He did a very good job and it now looks like it is brand new. The charge for this sign was just a few pounds below the money received from Waitrose.

We have now instructed him to refurbish the sign on Noak Hill Road A176. We are hopeful that it will be done in time for the 400th Anniversary celebrations of the sailing of the Mayflower to America.

This leaves just one sign on the corner of Mountnessing Road to be refurbished. To do this we will be asking if a grant can be obtained from the Town Council. This of course will not be possible till after the current crisis.

It will not be possible to either print or deliver this news sheet to anyone for whom we do not have an email address. So if you know of anyone who is a member of the club and receives their newsletter by our delivery method maybe you could telephone them and either read it to them or get them to contact us with their email address.

You can contact the committee members by telephone and you will find their telephone numbers on the back of the 2020 Members Handbook.

Keep well and stay safe. We on the Committee will see you soon.

David Bremner, Doug & Julie Smith. Lesley & John Humphries. Lynne Beard.
