

THIS YEAR, THE LOCAL CHARITIES THAT WE WILL SUPPORT ARE:-

Our aim is to save lives, reduce or prevent disability, or suffering from critical illness and injury, by delivering a first-class pre-hospital emergency medical service to the people of Essex, Hertfordshire and surrounding areas.

Without access to National Lottery funding and with limited support from Government, we continue to rely upon the generosity and goodwill of the people and businesses of Essex and Hertfordshire to remain operational and keep saving lives – working together funded by you!-----

**Saint Francis Hospice** is an independent charity and one of the largest adult hospices in the UK. Our team of specialist consultants, doctors, nurses and a range of other health and social care professionals provide care and support to individuals with a life-limiting illness, as well as their carers and family members, completely free of charge.

We serve the populations of Havering, Brentwood, Barking & Dagenham, Redbridge and West Essex. This year, we need to raise £7.8 million in voluntary income, so every donation from individuals and organisations is important to us. We also have a team of nearly 700 skilled and committed volunteers who help us keep our costs down and add huge value to the work we do.

10% of all proceeds will be in support of the many local but needy causes that the Rotary Club experience during the year.

More information is available on Essex and Herts Air Ambulance, and St. Francis Hospice websites and also [http:// www.rcoicgd.co.uk](http://www.rcoicgd.co.uk) (Ingatestone Rotary Club's Charity Golf Day website)
